First and foremost, we would like to thank you for your generous support of Fred's Footsteps! We appreciate that during these difficult times that you have chosen to support our mission and the families we serve.

**The health and safety of our guests is our top priority.** Working closely with the staff at Philadelphia Country Club & Gulph Mills Golf Club, we have implemented several measures designed to protect guests, volunteers employees and club staff from potential exposure to the COVID-19 ("Coronavirus").

***Overview of Format Changes***

- Groups will be **assigned tee times** instead of a shotgun start to minimize gathering
- **Lunch** will be served on the course by attendants
- We will limit exposure during registration by placing gift bags in carts prior to arrival and providing contact less payment
- There will be **NO dinner program** following the event, but guests will go home with a gift card to a local restaurant to safely dine out at your convenience in the future.

***COVID 19 Precautions***

Guests are required to wear face coverings at all times on club property except when on the golf course

We ask that all guests adhere to CDC recommended Social distancing practices of 6 feet

We will have a large number of stations throughout the facilities offering hand sanitizer to guests and employees.

Restrooms and public spaces will be sanitized multiple times each day according to CDC guidelines.

To further protect the health and safety of our guests, employees and volunteers, we request you **should stay home if within past fourteen (14) days you have:**

- Tested positive or have been deemed presumptively positive with the Coronavirus;
- Been informed that you may have been exposed to Coronavirus or learned that you have been in the immediate vicinity of a person now known to have been carrying the Coronavirus; or

The CDC advises that older adults and people of any age who have serious underlying medical conditions might be at higher risk for severe illness from Coronavirus. Guests should evaluate their own risk in determining whether to attend. People who show no symptoms can spread Coronavirus if they are infected, any interaction with the general public poses an elevated risk of being exposed to Coronavirus. By coming to the event, guests acknowledge and agree that you assume these inherent risks associated with attendance.
